I General provisions

Art. 1 Object

¹ This Directive governs the content and form of regular reporting obligations in connection with maintaining listing, and the details of how these obligations are to be fulfilled. It does not cover the regular reporting obligations associated with exchange traded products (ETP). These latter obligations are laid down in the Additional Rules for the Listing of Exchange Traded Products.

² If a reportable fact with regard to bonds and/or conversion rights, or derivatives (Annexes 2 and 3) must be published as a "Publication in accordance with conditions", then the details of publication are governed by the terms and conditions disclosed in the corresponding prospectus according to the FinSA.

Art. 2 Reportable facts

The Annexes contain the following information on the individual regular reporting obligations:

1. content of obligation;
2. timing of report;
3. type of submission;
4. any enclosures that must be submitted;
5. whether or not the report will be published by SIX Swiss Exchange Ltd («SIX Swiss Exchange»).

Art. 3 Recipients of reportable facts

The issuer must transmit the reportable facts to SIX Exchange Regulation AG ("SIX Exchange Regulation").

II Form and content of reports

Art. 4 Form in which the reportable facts are to be transmitted

¹ In transmitting reportable facts pursuant to Annex 1 an issuer of equity securities with a primary listing on the Exchange must use the Connexor Reporting electronic reporting platform ("Connexor Reporting"). If, exceptionally, Connexor Reporting is unavailable for technical reasons, the issuer must use the means listed in para. 2 below to transmit the reportable facts.

² The issuer must transmit the reportable facts pursuant to Annexes 2 and 4–6 (bonds, conversion rights, collective investment schemes and secondary-listed equity securities) by e-mail. The issuer must use on-line forms to transmit certain reportable facts.

³ The issuer must use e-mail or Connexor Events to transmit the reportable facts listed in Annex 3 (derivatives).

Art. 5 Mandatory information

¹ Each report must contain the following information:

1. name of the issuer;
2. identity of the person submitting the report (incl. telephone number and e-mail address for any enquiries);
3. description of the reporting obligation in question.

² The relevant Annex (including the relevant point) must be stated explicitly in reports transmitted in fulfilment of the regular reporting obligations set out in Annexes 2 to 6 (bonds, conversion rights, derivatives, collective investment schemes and secondary-listed equity securities).

Art. 6 Official Notice

¹ If the Annexes provide for information on a reportable fact to be disseminated by means of an "Official Notice", the issuer must transmit the text of the "Official Notice" to SIX Exchange Regulation electronically at the earliest possible date but, providing no differing regulation applies, *no later than 10.00 am on the last trading day prior to the desired date of publication. The issuer must notify the desired date of publication to SIX Exchange Regulation.*

² The "Official Notice" must contain the mandatory information required for the reportable fact in question, as listed in the corresponding Annexes.

³ The issuer must transmit the "Official Notice" to SIX Exchange Regulation as an unformatted text document (i.e. as a Notepad document or similar).

⁴ In the case of reports transmitted to SIX Exchange Regulation using Connexor Reporting, pursuant to Art. 4 para. 1 DRRO, or using Connexor Events, pursuant to Art. 4 para. 3 DRRO, the "Official Notice" will be generated automatically by SIX Exchange Regulation once the report has been processed. The same applies to cases in which an Excel file may be submitted instead of an "Official Notice".

⁵ SIX Exchange Regulation will make no changes to the content of an "Official Notice" that it disseminates. The issuer bears sole responsibility for the content of the notice.

⁶ Alternatively, the "Official Notice" will be published via:

1. the "Newsboard" of the SIX Swiss Exchange Trading System (for Exchange participants);
2. e-mails to interested recipients;
3. Internet (http://www.six-swiss-exchange.com/news/official_notices/search_en.html) as an "Official Notice".

Art. 7 Confidentiality

¹ Reportable facts which, at the time of their transmission to SIX Exchange Regulation, are still to be treated confidentially, or for which publication is to be deferred, must be clearly and obviously designated as such in the report ("Confidential"/"Publication only after consultation", or similar). In this case, the date and time as of which the temporarily confidential information may be passed on to the market must be given. In the absence of the aforementioned, SIX Exchange Regulation cannot ensure the confidential treatment of the report.

² When transmitting a reportable fact via Connexor Reporting, in the case of facts which are to be published openly or also sent to third parties in addition to SIX Exchange Regulation, the issuer may send the report to SIX Exchange Regulation on a confidential basis in advance, using the dedicated Connexor Reporting function. Paragraph 1 applies mutatis mutandis.

III Responsibility

Art. 8 Responsibility

¹ The issuer must report the reportable fact. It may decide at its own discretion whether to fulfil its reporting obligations itself, or to instruct a third party to do so.

² In either case, the issuer is responsible for the proper fulfilment of its obligations.
