I General provisions

Art. 1 Object

¹ This Directive governs the content and form of regular reporting obligations in connection with maintaining listing, and the details of how these obligations are to be fulfilled.

² If a reportable fact with regard to bonds and/or conversion rights, derivatives or exchange traded products (ETP) (Annexes 2, 3 and 5) must be published as a "Publication in accordance with conditions", then the details of publication are governed by the terms and conditions disclosed in the corresponding prospectus according to the FinSA.

Art. 2 Reportable facts

The Annexes contain the following information on the individual regular reporting obligations:

1. content of obligation;
2. timing of report;
3. type of submission;
4. any enclosures that must be submitted;
5. whether or not the report will be published by SIX Swiss Exchange AG ("SIX Swiss Exchange").

Art. 3 Recipients of reportable facts

The issuer or the sponsoring securities firm must transmit the reportable facts to SIX Exchange Regulation AG ("SIX Exchange Regulation").

II Form and content of reports

Art. 4 Form in which the reportable facts are to be transmitted

¹ In transmitting reportable facts pursuant to Annex 1 an issuer of equity securities with a primary listing on the Exchange must use the Connexor Reporting electronic reporting platform ("Connexor Reporting"). If, exceptionally, Connexor Reporting is unavailable for technical reasons, the issuer must use the means listed in para. 2 below to transmit the reportable facts.

² The issuer or the sponsoring securities firm must transmit the reportable facts pursuant to Annexes 2 and 4-7 (bonds, conversion rights, collective investment schemes, ETP, sponsored funds and secondary-listed equity securities) by e-mail. Online forms may be used to transmit certain reportable facts.

³ The issuer must use e-mail or Connexor Events to transmit the reportable facts pursuant to Annex 3 (derivatives).

Art. 5 Mandatory information

Each report must contain the following information:

1. name (company) of the issuer;
2. identity of the person submitting the report (incl. telephone number and e-mail address for any enquiries);
3. description of the reporting obligation in question.

Art. 6 Official Notice

¹ If the Annexes provide for information on a reportable fact to be disseminated by means of an "Official Notice", the issuer or the sponsoring securities firm must transmit the text of the "Official Notice" to SIX Exchange Regulation electronically at the earliest possible date but, providing no differing regulation applies, no later than 10.00 a.m. on the last trading day prior to the desired publication date. The issuer or the sponsoring securities firm must notify SIX Exchange Regulation of the desired publication date, otherwise the "Official Notice" will be published immediately at the earliest possible date.

² The "Official Notice" must contain the mandatory information required for the reportable fact in question, as listed in the corresponding Annexes.

³ The issuer or the sponsoring securities firm must transmit the "Official Notice" to SIX Exchange Regulation as an unformatted text document (i.e. as a Notepad document or similar).

⁴ In the case of reports transmitted to SIX Exchange Regulation using Connexor Reporting (pursuant to Art. 9) or Connexor Events (pursuant to Art. 11), the "Official Notice" will be generated automatically by SIX Exchange Regulation once the report has been processed. The same applies to cases in which an Excel or Word file may be submitted instead of an "Official Notice".

⁵ SIX Exchange Regulation will make no changes to the content of an "Official Notice" that it disseminates. Responsibility for the content of this notice lies solely with the issuer or the sponsoring securities firm.

⁶ Alternatively, the "Official Notice" will be published via:

1. the "Newsboard" of the SIX Swiss Exchange Trading System (for Exchange participants);
2. e-mail to interested recipients;
3. Internet (<https://www.six-group.com/en/products-services/the-swiss-stock-exchange/market-data/news-tools/official-notices.html#/>) as an "Official Notice".

Art. 7 Confidentiality

¹ Reportable facts which, at the time of their transmission to SIX Exchange Regulation, are still to be treated confidentially, or for which publication is to be deferred, must be clearly and obviously designated as such in the report ("Confidential"/"Publication only after consultation", or similar). In this case, the date and time as of which the temporarily confidential information may be passed on to the market must be given. In the absence of the aforementioned, SIX Exchange Regulation cannot ensure the confidential treatment of the report.

² When transmitting a reportable fact via Connexor Reporting, in the case of facts which are to be published openly or also sent to third parties in addition to SIX Exchange Regulation, the issuer may send the report to SIX Exchange Regulation on a confidential basis in advance, using the dedicated Connexor Reporting function. Paragraph 1 applies mutatis mutandis.

III Responsibility

Art. 8 Responsibility

¹ The issuer must report the reportable fact. It may decide at its own discretion whether to fulfil its reporting obligations itself, or to instruct a third party to do so.

² The sponsoring securities firm is responsible for the proper forwarding to SIX Swiss Exchange or SIX Exchange Regulation of the information listed in this Directive. In particular, the sponsoring securities firm is responsible for any direct loss arising from the fact that it carelessly failed to submit information, submitted it too late or did not forward it properly.

³ In either case, the issuer or the sponsoring securities firm is responsible for the proper fulfilment of its obligations.
