# 1 Purpose, scope and list of fees

## 1.1 Purpose

<sup>1</sup> According to Art. 63 LR, fees, as set out in the applicable List of Charges (List of Charges to the Listing Rules and/or List of Charges for Regulatory Bodies), are charged for admission to trading, for listing and for maintaining listing or admission to trading, as well as in the context of sanction and appeal proceedings.

<sup>2</sup> Fees may be wholly or partly waived providing all issuers are treated equally.

## 1.2 Scope

This List of Charges under the Listing Rules applies to all issuers, as well as further persons who have submitted themselves to the rules of SIX Swiss Exchange AG («SIX Swiss Exchange»).

## 1.3 List of fees

This List of Charges under the Listing Rules governs the following fees:

- Listing and maintaining listing of equity securities
- Listing and maintaining listing of collective investment schemes
- Listing of bonds
- Listing of derivatives
- Listing and maintaining listing of Exchange Traded Products (ETPs)
- Admission to trading and maintaining admission to trading in a Sponsored Segment
- Other services and authorisations

# 2 Fees for listing and maintaining listing of equity securities

## 2.1 Listing of equity securities

### 2.1.1 Basic charge for the listing application

A basic charge of CHF 6,000 is levied for the processing of a listing application.

### 2.1.2 Variable charge for new equity securities

<sup>1</sup> For the listing of new equity securities from an issuer that has not previously listed equity securities on SIX Swiss Exchange ("new issuer"), the following progressive variable charge is applied to the current market capitalisation:

- a) CHF 10 per million CHF up to a capitalisation of CHF 500 million;
- b) CHF 15 per million CHF between a capitalisation of CHF 500 million and CHF 2.5 billion;
- c) CHF 20 per million CHF between a capitalisation of CHF 2.5 billion and CHF 5 billion;
- d) CHF 25 per million CHF for a capitalisation of more than CHF 5 billion.

<sup>2</sup> In the case of a capital increase for existing issuers, the following variable progressive charges are levied:

- a) CHF 10 per million CHF up to a capitalisation of CHF 500 million;
- b) CHF 12 per million CHF for a capitalisation of more than CHF 500 million.

<sup>3</sup> This variable charge shall not exceed a maximum of CHF 400,000 for new issuers. In the case of a capital increase, the charge shall not exceed a maximum of CHF 60,000.

### **2.1.3 Additional charge for new issuers of equity securities**

If the issuer of the securities to be listed has not previously had any equity securities listed on SIX Swiss Exchange ("new issuer"), an additional non-recurring charge is levied as follows:

- a) CHF 15,000 up to a market capitalisation of CHF 500 million;
- b) CHF 20,000 for a market capitalisation of more than CHF 500 million.

### **2.1.4 Additional charge for the listing prospectus (cancelled)**

### **2.1.5 Additional charge for additional securities**

If an application simultaneously requests the listing of several securities, an additional charge of CHF 5,000 per additional security is levied.

### **2.1.6 Conditional capital**

For the listing of securities out of conditional capital, the charge described in Clause 2.1.2 above is not levied. If the listing of securities out of conditional capital is applied for simultaneously with the admission to trading of conversion rights or option rights, no charge is levied for the listing of securities out of conditional capital.

### **2.1.7 Flat charge for the secondary listing of equity securities**

<sup>1</sup> For the secondary listing on SIX Swiss Exchange of securities of foreign issuers that are already listed on a regulated market with equivalent listing regulations in the given issuer's country of domicile or in some third country (home exchange), a flat charge of CHF 5,000 is levied. No further charges are levied in this regard.

<sup>2</sup> No charges are levied for capital transactions conducted by issuers who have equity securities listed on SIX Swiss Exchange on a secondary basis.

*See also:*

- Directive Foreign Companies (DFC)

### **2.1.8 Flat charge for separate trading line**

If a separate trading line is to be opened in connection with the buy-back of the issuer's own equities or a public takeover offer, a flat charge of CHF 3,000 is levied. This charge covers the cost of maintaining the separate trading line for up to a maximum period of three months.

### **2.1.9 Additional charge for separate trading line**

If a separate trading line is to be maintained for more than three months, an additional charge of CHF 1,000 per quarter of duration is levied at the time the separate line is opened or prolonged.

*See also:*

- Directive Complex Financial History (DCFH)
- Directive Procedures Equity Securities (DPES)

### **2.1.10 Flat charge for shareholder and employee options**

<sup>1</sup> If shareholder options are to be listed in connection with the buy-back of the issuer's own securities or the issue of securities, a flat charge of CHF 6,000 is levied.

<sup>2</sup> If employee options are listed by the issuer, a flat charge of CHF 6,000 is levied.

### **2.1.11 Charges for equity securities in the regulatory standard Sparks**

<sup>1</sup> In derogation of Clause 2.1.1, half of the basic charge is levied for the processing of a listing application in connection with a listing of equity securities in the regulatory standard Sparks if and to the extent that the listing application concerns one of the following transactions:

- a) initial public offering (IPO);
- b) capital increase (ordinary capital increase or capital increase within the capital band);
- c) first possible exercise of conversion rights or option rights with regard to the conditional capital;
- d) listing of an additional category of equity securities;

<sup>2</sup> In derogation of Clauses 2.1.2, 2.1.3, 2.1.5 and 2.1.6, half of the charges for the listing of equity securities in the regulatory standard Sparks are levied.

*See also:*

- Directive Procedures Equity Securities (DPES)

## **2.2 Maintaining listing of equity securities**

### **2.2.1 Annual basic charge**

For maintaining listing, an annual basic charge of CHF 10,000 is levied for each issuer.

### **2.2.2 Annual variable charge**

<sup>1</sup> In addition, up to a capitalisation of CHF one billion, an annual variable charge of CHF 10 per CHF one million of capitalisation is levied. From a capitalisation of CHF one billion, the annual charge on capitalisations exceeding CHF one billion is CHF 11 per CHF one million of capitalisation.

<sup>2</sup> This variable charge shall not exceed a maximum of CHF 110,000.

<sup>3</sup> For shares in the regulatory standard for Special Purpose Acquisition Companies (SPACs) that offer convertible bonds instead of shares, a variable charge of CHF 10 per CHF one million of the total nominal amount or the total nominal amount converted into CHF of the convertible bond or the increased tranche is levied.

### **2.2.3 Charges for equity securities in the regulatory standard Sparks**

In the regulatory standard Sparks, an annual basic charge of CHF 8,000 is levied for each issuer; no variable charge is levied.

## **3 Fees for listing and maintaining listing of collective investment schemes**

### **3.1 Listing of collective investment schemes**

#### **3.1.1 Basic charge for the listing application**

A basic charge of CHF 3,000 is levied for the processing of a listing application.

#### **3.1.2 Additional charge for new issuer**

For the listing of units of a new collective investment scheme or a new legal entity, an additional, non-recurring charge of CHF 10,000 is levied.

#### **3.1.3 Additional charge for additional securities**

If a simultaneous application is being made for the listing of several collective investment schemes from the same issuer, an additional charge of CHF 2,000 is levied for each additional collective investment scheme.

#### **3.1.4 Additional charge for other trading currencies**

An additional charge of CHF 1,000 is levied for each security if an application for trading in one or more additional trading currencies is submitted for one or more collective investment schemes.

### **3.2 Maintaining listing of collective investment schemes**

#### **3.2.1 Annual basic charge**

For maintaining listing(s), an annual basic charge depending on the number of listed collective investment schemes of the same issuer is levied as follows:

- a) 1 to 10 collective investment schemes: CHF 3,000 for each listed security;
- b) 11 to 20 collective investment schemes: CHF 1,500 for each listed security;
- c) 21 to 30 collective investment schemes: CHF 1,000 for each listed security;
- d) 31 or more collective investment schemes: CHF 500 for each listed security.

## **4 Fees for the listing of bonds**

### **4.1 Listing of bonds**

#### **4.1.1 Basic charge for the listing application**

A basic charge of CHF 2,000 is levied for the processing of a listing application.

#### **4.1.2 Variable charge for new bond or increase**

<sup>1</sup> For the listing of new bond issues as well as for increases in existing listed bonds, a variable charge of CHF 10 per CHF one million of the total nominal amount of the new or increased tranche is levied.

<sup>2</sup> For the listing of new bond issues as well as for increases in existing listed foreign-currency bonds, a variable charge of CHF 10 per CHF one million of the total nominal amount converted into CHF of the new or increased tranche is levied.

#### 4.1.3 Additional charge for new issuer

<sup>1</sup> If the issuer of the securities to be listed has not previously had any securities listed on the SIX Swiss Exchange, an additional non-recurring charge of CHF 10,000 is levied.

<sup>2</sup> New issuers within the context of the List of Charges under the Listing Rules are those that have not had any securities listed on the SIX Swiss Exchange for longer than three years.

#### 4.1.4 Additional charge for the listing prospectus (cancelled)

#### 4.1.5 Flat charge for examination and registration of issue programmes (cancelled)

#### 4.1.6 Flat charge for the reissue of issue programmes (cancelled)

#### 4.1.7 Additional charge for issue programmes (cancelled)

#### 4.1.8 Fee for bonds with a maximum term of 12 months

<sup>1</sup> A fee of CHF 3,000 is charged for processing a listing application for bonds with a maximum duration of 12 months.

<sup>2</sup> Clauses 4.1.1 and 4.1.2 of the List of Charges under the Listing Rules do not apply.

## 5 Fee for the listing of derivatives

### 5.1 Listing of derivatives

#### 5.1.1 Principle

<sup>1</sup> For the admission of derivatives to trading, a fee per derivative is charged according to the following table:

Number of derivatives	Fee per derivative
0-200	CHF 350
201-500	CHF 250
501-1,000	CHF 180
1,001-2,000	CHF 140
2,001-5,000	CHF 110
5,001-7,500	CHF 85
7,501-10,000	CHF 60
from 10,001	CHF 50

<sup>2</sup> The fees that are due are invoiced on a monthly basis.

##### 5.1.1.1 Basis of calculation

The fee referred to in Clause 5.1.1 is calculated on the basis of the number of derivatives from the same issuer that are admitted to trading for the first time during the current calendar year. The number of derivatives referred to in Clause 5.1.1 is determined per calendar year.

#### **5.1.1.2 Group companies**

For the purposes of determining the number of derivatives in accordance with Clause 5.1.1 is determined, derivatives from issuers which are group companies within the same group are counted together. However, this does not apply to subsidiaries that, whether directly or indirectly, are less than 50% owned by the parent company of the group.

#### **5.1.2 Additional charge for “stand-alone prospectus” derivatives (cancelled)**

#### **5.1.3 Flat charge for examination and registration of derivatives programmes (cancelled)**

#### **5.1.4 Flat charge for the reissue of derivatives programmes (cancelled)**

#### **5.1.5 Additional charge for new issuer**

<sup>1</sup> In the case of the approval of an issuer that has not previously had any securities listed on SIX Swiss Exchange, a flat charge of CHF 10,000 is levied.

<sup>2</sup> New issuers within the context of the List of Charges under the Listing Rules are those that have not had any securities listed on the SIX Swiss Exchange for longer than three years.

#### **5.1.6 Charge for adjustments to erroneous entries in CONNEXOR Listing**

For adjustments that must be made owing to erroneous entries in CONNEXOR Listing, a charge of CHF 100 per security is levied.

#### **5.1.7 Knock-out discount**

<sup>1</sup> For Warrants with Knock-Out and Mini-Futures, which reach the knock-out or stop-loss level within 11 trading days and are therefore delisted, the issuer may, for each warrant delisted following the knock-out or stop-loss level being reached, list a further Warrants with Knock-Out or Mini-Future, whereby the levying of the fees according to Clause 5.1.1 will be waived.

<sup>2</sup> For the purposes of calculating the 11 trading days in accordance with para. 1 of this provision, the difference between the first and last trading day is decisive and not the date of the knock-out or stop-loss event.

<sup>3</sup> Under para. 1 of this provision, the possibility of listing further Warrants with Knock-Out and Mini-Futures expires no later than at the end of the month following the last trading day.

<sup>4</sup> Listings in accordance with para. 1 of this provision are not taken into account for the calculation of the number of derivatives in accordance with Clause 5.1.1.

#### **5.1.8 Active Product Package**

<sup>1</sup> For the listing of Leverage Products, as an alternative to paying a fee per listing in accordance with Clause 5.1.1, the issuer can acquire an Active Product Package for Leverage Products for a fixed annual flat charge. The acquisition of an Active Product Package entitles the issuer to list Leverage Products for the following twelve months, provided that the average number of simultaneously active, i.e. simultaneously listed, Leverage Products for the selected Active Product Package in accordance with Clause 5.1.8 para. 3 is not exceeded during a month.

<sup>2</sup> The Active Product Package for Leverage Products can be purchased for the duration of at least twelve months. The issuer can switch to a larger Active Product Package while still retaining the original expiration date of its Active Product Package. The acquisition of an Active Product Package and adjustments to

the Active Product Package are possible with effect from the beginning of any given month. They must be notified to the Exchange in writing using the corresponding notification form at least three calendar days in advance.

<sup>3</sup> An annual flat charge in accordance with the following table is charged for the Active Product Package:

Average number of simultaneously active, i.e. simultaneously listed, Leverage Products during a month	Annual flat charge for the Active Product Package
2,500	CHF 250,000
15,000	CHF 850,000
20,000	CHF 1,000,000

<sup>4</sup> Should the issuer exceed the average number of simultaneously active, i.e. respectively simultaneously listed, Leverage Products determined for the acquired Active Product Package during a month, an additional fee for one or more Excess Package(s) is charged in accordance with the following table:

Number of Leverage Products per Excess Package	Monthly fee per Excess Package
500	CHF 5,000

<sup>5</sup> The fees incurred for the Active Product Package and any Excess Packages are invoiced on a monthly basis.

<sup>6</sup> Listings of Leverage Products in accordance with this Clause 5.1.8 are not taken into account for the calculation of the number of derivatives in accordance to Clause 5.1.1. Listings of Warrants with Knock-Out and Mini-Futures in accordance with this Clause 5.1.8 are excluded from the Knock-out discount in accordance with Clause 5.1.7.

## 6 Fees for listing and maintaining listing of Exchange Traded Products (ETPs)
